Our Difference

At LFX2 Metalworks, we take pride in our commitment to quality and craftsmanship. Our fire rings are meticulously crafted using high-grade 3/16 inch steel, ensuring durability and longevity that surpasses industry standards. We believe in creating products that not only meet but exceed our customer's expectations. The use of this robust steel not only guarantees a long-lasting fire ring but also ensures a superior level of resilience against the elements, providing our customers with a reliable and enduring outdoor experience. Choose LFX2 Metalworks for fire rings that stand the test of time, enhancing your outdoor moments with enduring warmth and beauty.

What We Offer

At LFX2 Metalworks, we're passionate about enhancing your outdoor experience with our premium products. Choose from our versatile selection, featuring the innovative Fire Box with a removable ash tray or the timeless Standard Fire Ring. Our Fire Box is designed with convenience in mind, offering a practical solution for easy ash disposal, while our Standard Fire Ring brings classic charm to any outdoor space. Both products are painted with 2000 degree temperature paint ensuring durability and style that stand the test of time. Elevate your outdoor moments with LFX2 Metalworks, where functionality meets craftsmanship.
